ANSR

The Secretary

London

Please find enclosed first entry report on the hull of the vessel N. 18 S. Pagnar, which now is built by Fevig Jernskibsluggeri. The following drawings are enclosed: Midship section, Profile, Mast tracing.

Machinery to the vessel is to be built at Middlesbrough. The vessel is to be towed to Middlesbrough to have the boilers & machinery fitted on board there. The builder has required to get the hull certificate now, before the vessel leaves Fevig. The preboard marks are to be verified at Middlesbrough.

I am, Sir,
your obedient servant.

Andri Salvesen
Asst. Surveyor to L. R.
