

Spanish Barque 'Luz' 294 Tons
built at Viareggio in 1870.

This vessel has now been surveyed
at Bremerhaven under the second
Survey Rule of Section 54 and is
recommended to be classed S.A.1. Continued
A.1. for 5 years from 1878

The second rule of Section 54 and
Section 52 appear to have been complied
with excepting the removal of the
strakes of deck next the waterway,
but in view of ten strakes of planking
from the gunwale downwards having been
removed and 51 toptimbers on one side and
47 on the other removed, doubtless an
opportunity was afforded for the
examination of the beam ends as
stated by Mr Paulsen, and the vessel
appears worthy of the favorable consideration
of the Committee to be classed as
recommended viz. S.A.1. Continued A.1.
for 5 years from Nov: 78.

1878
26 of 13.
