

Appledon July 17. 1868

Dear Sir. I have your favor of the 15th. and note
your remarks. In answer the piece Chain
No 87. found a joining piece.

This is 15 fathoms of No 87. $1\frac{1}{4}$ Chain Cable
Part of 120 fathoms. It appears the Certificate
for the 120 fathoms has been given up to
Lloyd's and this part kept out of the quantity
and some error has been committed with
the Vial, some way that I now find
Shew 15 fathoms No 87. $1\frac{1}{4}$ Chain without
Certificate and Shew 45 fathoms. Instead
of 60 fathoms No 66. This Certificate should
and I want you to be able to arrange
to give me duplicate Certificate for this 15 fathoms
No 87 & not must be sent to Bristol

The total of your which will tend
to considerable expense and delay
pleases me know what you can
do and what course I had better adopt
as I want this keel clow cut once and
the 15 fathoms make the complement
of her Cheeks and I have no piece to
place in the room I am your truly

A. Lee
