

New Wood Schooner "Meda", 124 tons, built
by Messrs Westacott & Sons, under special survey
and recommended by Mr. Fittock to the
12. A class, "c.f." "10 + 12 yrs. mat."

It is submitted that as the salting of
this vessel was not completed in accordance
with the Rules, and as the Pitch Pine
used in the inside and outside planking
is of the 9 years grade only, (as it is not
salted), this vessel only appears worthy
of the favourable consideration of the
Committee to be classed 11 A. viz:-

9 years under Table A.

1 year under the mixed material rule
+ 1 year for metal fastenings

11 A.1.

"9 + 12 yrs. mat." "c.f."
