LLOYDS REGISTER

LONDON

ANSB

Aldore Tern

June 25<sup>th</sup> 1896

I find I omitted to mention in my  
report of the Schooner Harney No 286576  
that the vessel has been caulked from  
Keel to Masts, also all the Riggers on both  
Sides rebolted

I shall be obliged if you will forward  
me the position of the Load Line as soon as  
the Committee have decided, as the vessel  
will shortly be ready for sea.

And oblige

Your obedient Servant  
A. M. C. W.
