The Secretary
Sir,

Your letter to hand with the
enclosure from the owners agent with
reference to my report No 26088 & 2609
I don't see that I can furnish you with
any remark on the matter more than
what I have already said with regard
to the Bk William Gordon

I may say it always seems a difficulty
for the owners to understand the rules
as regards Ships never been classed

I am Sir,

Your obedient Servant
G Westcott

The Secretary
