9th December, 1898.

Sir,

With reference to your letter of the 6th instant, enclosing a sketch of the drilling of the shell plating of the iron Bk. "ADOLF TIDEMAND", I have to acquaint you that your recommendation that a strake below the sheerstrake be doubled from the foremast to the mainmast in addition to some repairs of a local character is approved by the Committee.

I am, Sir,

Your obedient servant,

Secretary.

Mr. George Westcott
