

Received by Chief Ship Surveyor 11. 7. 00

Received from Chief Ship Surveyor \_\_\_\_\_

VESSEL'S NAME Steel S. S. "Fremington" Report Apl. No. 2680

The remarks of the Chief Ship Surveyor are desired on this case for the consideration of the Classing Committee.

"The endorsement to contain a succinct summary of any repairs that have been required and to show the cause or causes of such repairs, and also to bring out clearly any exceptional features in connection with the case, so that the Classing Committee may have all the salient points presented in the endorsement."—Extract from Sub-Committee's Report, 24/5/92.)

Nature of Survey Repairs

It is submitted that before this case receives the consideration of the Committee, the report should be sent to the Liverpool Surveyors and they should be requested to offer such remarks as they may wish to make on the statements contained therein, for the information of the Committee, in view of their report no. 48959.
