aland", No. 4 in Supplement.

Submitted the Appledore Surveyor
equested to state if the vessel be
the S.S. "New Zealand" built at
1886 for the Hull Steam Fishing &
classed 100 A.1., and now is No. 4
ement to the Register Book.
ss was withdrawn when the vessel
property of H. M. Government, and
amed "Sir Howard Elphinstone", see
ister Book.
esel appears to have been now
by Messrs Osborn & Wallis, and
New Zealand".
is the vessel the Surveyor refers to
be requested to state if the owners
reclass the vessel, in which case
ing the proposed alterations should
d for the consideration of the
