

Gloucester 22<sup>d</sup> December 1834

This is to Certify that in September 1833  
I put into the Barge "Huskisson of Bristol."  
William Holmes master, then at this port, a  
new Windlass Bitts of British Oak with  
Knees on the foreside of them of the same  
material, Pall Bitt of African Teak, and  
a new Windlass and that the whole was  
securely and well fixed
