Charles Graham Esq  
Secretary of Shipping  
London Sir

I fear you are under some mistake respecting the  
"Lucy" which vessel you refer to in your letter of yesterday  
as I find on referring to my original copy of her report that  
her plating outside is as follows

From the keel to the 1 <sup>st</sup> Head	English Elm & Birch
From 1 <sup>st</sup> Head to light water mark	English Elm & Birch
From light water mark to water	English Oak
Water & Black Sticks & Oak	Spanish Oak

Should it however prove that I have made an error  
in copying (which by some degree of care and attention I generally  
endeavour to avoid) I pray you will have the goodness  
to excuse and correct the same. — The office for a charge  
of 10/ for the Officer's Certificate, you will find I have  
accounted for in my last remittance of £20.00

Yours Sir  
Edmund Bacon
