Genl B. Luffing Esqr  
Sir

Enclosed I  
beg to send Report on a new  
vessel from Newquay.

As she was nearly completed  
before the appointment of  
Mr Bateman to that district,  
I thought it better when recently  
in the neighbourhood to take  
finishing notes and forward  
the Report from here.

I am  
Sir  
Your obedient servant  
Thomas Congdon
