The Secretary

London

Sir

Dear Mr. Summers

I & Scott have written asking if the equipment named in the enclosed letter will meet with the requirements of the Committee for the A1 grade for Tugs; and I shall be glad to learn whether the Committee deem the equipment proposed by the Builders sufficient for the purpose.

I am

Sir

Your obedient servant

R. W. Coomber.

Referred to the Chief Surveyor

AGD

Summers Look No: 58, 59, 60 ^{10/9/92}

In view of the ^{small} size of these
vessels, it is submitted that
provided the weights of the
anchors given, be on stock, and
not less than 60 fms of $5/8$ stud
link chain be supplied,
the equipment proposed in
other respects, will merit the
approval of the Committee for
the figures. for towing purposes.
