Dear Sir

Tugs No 58 59 & 60 - Anchor etc.
Our clients want 1 Bower (if patent
2 1/2 cwt) 3 1/2 cwt. 3/4 Hedge - 50 fathms
1/2 Stud link chain 50 fathms 5" Temp.
75 fathms, 3" Temp. This we believe is
is practically the same as on their other
tugs built under gas rules & will, we
supper meet with gas approval. Please
let us know as early as possible tomorrow

Yours truly
