The Secretary
London

Sir,

I in answer to enquiry in classing
letter of yesterday date re S.S. Scale
Force (Barrow Report No 408, I beg to state
that this vessel is under survey at
Workington, and Mr Ritchie has been
attending to the case from his Memo
the following remains to be done to
complete this survey. Bilges to be cleaned
and all rose-bores and bilge pipes
put in order, one new bilge pump valve
and new valve and seat to bilge
discharge chest to be fitted, new bottom
end brasses to be fitted.

It is my intention to arrange to
