9th August, 1895.

Dear sirs,

I duly received your letter of the 6th instant respecting the case of your steamer "TORBAY", and having submitted the same to the Committee at their meeting this day, I am directed to acquaint you that your proposal to postpone carrying out the requirements of the Special Survey No.3 as regards the hull of the vessel for a month or two, when you hope to complete the survey in the Tyne, is considered satisfactory, under the circumstances.

I note that the remaining requirements of the Special Survey on the machinery will be completed on the steamer's return to the U.K. this month.

I am, Dear Sirs,

Yours faithfully,

Secretary.
