The Secretary
Lloyd's Register of Shipping
London.

Dear Sir,

SS Torbay.

In reply to your favour of the 3rd inst.
we regret we have not had a favourable opportunity of getting
the survey on the hull of this steamer passed owing to
some pressing freight engagements. The little that remains
of the engine survey will be done on the vessel's return
to UK this month but it will be a great convenience to
us if you can allow us to have the uninterrupted use of the
boat for a month or two yet. We purpose availing ourselves
of some tenders we have for the Tyne for during the
necessary opening out for survey and hope in a month or two
to get the boat there to complete survey.

Yours faithfully
Glen & Co
Managers.
