3rd August, 1895.

Dear Sirs,

With reference to the classification in this Society's Register Book of your steamer "TORBAY", and to the requirements of the Rules as regards the Special Survey No.3 that became due on this vessel in February last, I beg to acquaint you that it appears that no steps have yet been taken to carry out this survey with the exception of the examination of the boilers and a part of the engines in ^{May} April last.

Under these circumstances I shall feel obliged if you will kindly let me know when and at what port it will best suit your convenience to have the remaining requirements of the Rules carried out.

I am, Dear Sirs,

Yours faithfully,

Secretary.
