Received from Chief Surveyor .....

VESSEL'S NAME St. S. S. 'Lodes'

Report Brw. No. 803

The remarks of the Chief Surveyor are desired on this case for the consideration of the Classing Committee.

("The endorsement to contain a succinct summary of any repairs that have been required and to show the cause or causes of such repairs, and also to bring out clearly any exceptional features in connection with the case, so that the Classing Committee may have all the salient points presented in the endorsement."—Extract from Sub-Committee's Report, 24/5/92.)

Survey List Entry

It is submitted that before this case receives the consideration of the Committee, the Glasgow Surveyors should be informed that the machinery is to be fitted on board at their port, and <sup>they</sup> should be requested to see that the E. & B. casings are efficiently completed, and when this has been done to report upon the same for the information of the Committee.
