

BARRY.

13th. June 1904.

Dear Sir,

We have to acquaint you that in order to complete the Special Survey held here on the machinery of your steamer "GRIMLEY", the following work still remains to be carried out, viz  
"The main boiler safety valves to be adjusted under steam."

Yours faithfully,

pro THE SURVEYORS,

W.R. Rea Esq.,

19 Donegall Quay,

Belfast.
