16th November, 1912.

Dear Sirs,

M. With reference to the case of your steamers  
"CORNWALL" and "DEVON" and to the interview which the  
Society's Chief Ship Surveyor and Staff had the pleasure of  
having with Mr. Morrison regarding the trimming openings  
proposed to be cut in the second deck plating between the  
cargo hatchways in these vessels, I beg to inform you  
that these openings have been indicated on the sketch  
handed in by Mr. Morrison, as desired by him, and I am  
directed to state that provided the arrangements be carried  
out as indicated on the sketch and to the satisfaction of  
the Society's Surveyors, the same will be approved.

The sketch has been taken away by Mr. Morrison.

I shall be glad if you will let me know where the  
work will be carried out.

I am, Dear Sirs,

Yours faithfully,  
Messrs. The Federal Steam Nav. Co., Ltd.,

2, Fenchurch Avenue,

E.C.

Secretary.
