

Steamers "CORNWALL" and "DEVON".

---

Mr. Morrison, representing the Owners, the Federal Steam Navigation Co., called at this Office and stated that it is their intention to sell these vessels.

To adapt them for the new trade it is proposed to cut openings for trimming purposes in the second deck plating between the cargo hatchways.

The trimming openings have been indicated on the sketch handed in by Mr Morrison as desired by him, and it is submitted that provided the arrangements be carried out as indicated on the sketch, and to the satisfaction of the Surveyor, the same will merit approval.

The sketch has been taken away by Mr. Morrison, *who should be requested to state where the work will be carried out.*
