

Sluys's Wharf
Carry in ^{the} 13 June 1871.

Dear Sir,

Margaret Ann Wilson

I return you enclosed
the Sect's letter of 7th Inst.
which as you remark, is
favourable, inasmuch as they
do not draw right refuse
to relax the Rule when the
vessel is ready for Survey—
I should however wish to
obtain a positive answer
as soon as the vessel
arrives at our Harbour's
mouth which would give

either
me, in abandoning the
classification & sending her
thence in Ballast to sea
or (in the event of their
relaxing) have her turned
up the river for Survey.

I shall acquaint you of
the time of her probable
arrival some future day
in meantime.

I am Dear Sir
Yours truly
W. D. Dore
