

Louis's Wharf
Cardigan 10 Aug 1871.

Dear Sir

I have just heard
of the arrival at Quebec
on the 28th of July of the
Margue "Ann Wilson" and
am glad by this time she
is loaded & ready for sea.

For reasons I have
already explained to you
I wish to know whether
you will be allowed
to survey this vessel
for Classification of A1
in Red without inter-
fering with the survey

and Copper or not, as I am
your reply will depend
whether I bring her beyond
our Harbour's mouth, or
up the River, to discharge.

Captⁿ Lewis reports
his Crew & Ship all right
having made a good
passage of 30 Days from
Cape de Verd to Quebec
waiting your reply

I am Dear Sir

Yours Very Truly

W^m Lewis
