Dear Sir

LLOYD'S REGISTER,
LONDON.

REC^d 10 NOV. 87

INS^d

As the Spanish Steamer William Haynes is from the first December to commence to Run between this place and Tangier with the Mail five times per week and before she does she must have a certificate from Lloyd's or Veritas to show by that time if you could oblige me by sending me the certificate before that day I shall be obliged. I sent a Midship section and a first Entry Report if you could have it here by that time will confer a benefit on the owners to day she was put in dock to clean and do anything required and she is first rate. Condition her exterior and interior as well as her equipment is superior her Rigging and every thing attached to her are of a superior description if there is any error in the report or omission I can rectify it but it must be in my possession before the first of December as on that day she must commence on her new arrangement if you can possibly do me that favour.

Your obt. servant
