

24/11/87

For the Chief Surveyor
Report

As. Wm Haines

It is submitted that Mr Cochrane should be informed that to entitle this vessel to a class in the Register book, the whole of the requirements of Special Survey No 3 should be complied with, the plating should be drilled in various places to ascertain its present thicknesses which should be stated in a report form. The survey should be carried out by Mr Cochrane personally and the measurements ^{also} made by him.
