

Chief Surveyor 5 5 05
Report off No. 25029

COPY.

For the CHIEF SHIP SURVEYOR and CHIEF ENGINEER SERVICE.

In cases which have to be reported to the Classing Committee - the endorsement to exhibit a detailed account of any repairs that have been required and to show the nature of such repairs, and also to bring out clearly any exceptional circumstances connected with the case so that the Classing Committee may have all the relevant points presented in the endorsement.

SURVEY PARTLY HELD.

9th May, 1905.

Dear Sirs,

I duly received your letter of the 4th instant, respecting the completion of the Special Survey No. 3 of your steamer "EASTRY", and have laid the same before the Committee at their meeting to-day. The Committee note that the vessel is now discharging in Japan and is afterwards fixed to load a cargo in China for the United Kingdom or Continent and that you desire to postpone completing the Special Survey until the vessel's arrival home, and I have the pleasure to say that, in the circumstances mentioned by you, they have agreed to your request, and action in the case has accordingly been deferred on the understanding that this arrangement will be carried out.

I am, Dear Sirs,

Yours faithfully,

Secretary.
