Sir,

S.S. EASTRY:- This steamer is now discharging in Japan, afterwards fixed to load a cargo in China for U.K./Continent, we intend, subject to the permission of your committee, to re-visit the No.3 survey on her return home. We beg to remind that the majority of the work was done at Cardiff, and there remain the engine room tank, bunkers & holds to examine. Therefore, we have instructed the Captain to have cleaned and painted during the voyage, and be ready for inspection on arrival home. Under these circumstances, we trust your Committee will grant our request.

We are,

Yours faithfully,
