Remark 20th November - 1849.

Charles Graham Esq^r

Sir:

I have to acknowledge receipt of your letter of 16th inst respecting the new ship "Seringapatam" and should have replied much sooner, had I not been prevented, by attending Duties at Ayrshire. I beg to state that there ^{are} are Rough Iron Stanchions in this vessel of Mahogany, or I should not have recommended her for the Class claimed. These Stanchions are all of British oak. I enclose a copy of Mr. Petcher's notes on this ship, the Iron bolts therein alluded to, have been driven out and replaced with Yellow Metal.

I am respectfully

Sir.

Your most Obedient Servant
