Mr. Cameron Esq  
Glasgow,

By the Captain of the "Three Brothers" naming her to us always as "the Brothers", we reported her as "the Brothers" in our application to Lloyd's for the survey for Classification, the Certificate is of course incorrect in consequence of the designation by us.

We would feel much obliged therefore if you would be kind enough to state this to the Committee that they may get the matter rectified in the Book and also that they grant another certificate for the other which we enclose

We are

Yours
