

Coth 23<sup>rd</sup> of April 1847

Mr Charles Graham

Sir

I now forward you the report  
the "Free Trader" which vessel has been built and  
id by the old Register 359 tons as such I have put  
in the report, but it is not in the body of the  
register, I was obliged several times to notice the  
builder while building, even before Mr Cruise saw her  
as reasoned with him besides, for I assume you  
could be a much greater pleasure to have to report  
the Building of a vessel all right in every respect,  
not to complain as in this case, for she is a strong  
and vessel, and looks remarkably well, and very  
in all my I am, that I cannot in justice, recommend her  
for the next years, as it will I fear be the  
ruin of the Builder -

Please forward me a Certificate for both  
vessels and you will greatly oblige Sir  
Yours Most Respectfully  
George Wright
