The Secretary

Sir, London Bk. Lachsen

I am in receipt of your Classing note of above vessel and in reply beg to say that the dates of the first and last visits were respectively April 24th and June 5th.

The Report was completed on the 3rd instant as far as possible.

I understand that it is intended to register the vessel in this Country but for some reason this has not yet been done. The owner Messrs J. J. Jacobs will probably have full information on this point. I am, Sir,

Your obedient servant
J. W. McCully
