The Chief Surveyor

Lloyd's Registry of Shipping, E.C.

Dear Sir,

Confirming our conversation of this morning, as Agents for the Channel Dry Docks Shipbuilding and Engineering Co., of Passage West, we intimated receipt of a telegram from them notifying that they are applying to enter the barque "Sachsen" for classification 100 A.1. in your register, and requesting you, if two Surveyors were necessary to telegraph Mr. Scollard, - who is now at Passage West in connection with the ~~same~~ ^{steam} "Surbiton", to verify the scantlings, as the ship is now in the dry dock.

We beg to thank you for having given this your attention, and remain,

Yours faithfully,

John I. Jacobs & Co.
