Dartmouth February 25. A.D. 54

Charles Graham Esq

Sir In reply to your favor of <sup>the</sup> 25<sup>th</sup> of January 4<sup>th</sup> I beg to say that there have been no materials of the ten Years grade Wood in construction of the Guide; but that when nearly in frame I noticed some partial deficiencies and the boards being of Iron, when I was requested to furnish the vessel for the ten Year grade, beyond which nothing is expected. The has not been submitted to the 12 Year supplementing <sup>Wood</sup> Survey, and I beg respectfully to say that my unsolicited remarks of being finished as a twelve Year ship was to express my belief that though not equal to the twelve Year

Planking Inside.—The Limber-strakes are composed of English Oak the Bilge Planks of English Oak
