

THE DOCKYARD
COMPANY.

Wexford, 11th May. 1886

Dear Sir

We are in receipt of
yours of 6th inst also the report
of New Schooner.

We beg to inform you that
the Sails are completed and that
the Scaphs of Keel are fastened
with Yellow Metal the iron
used in fastening Plankwood as
washed by you is quite correct
it being one with iron

We shall forward the Dees
to Lloyd's in proper time so
please send on the report in
order that we may get the
classification you truly

Yours faithfully
