

Wexford 11<sup>th</sup> June 1886

Dear Sir

Enclosed I send you the  
account of my late Father's survey  
which if you find correct I will  
emit the amount

The Dockyard Co<sup>rd</sup> intend  
launching their new Schooner  
a few days when she will be named  
and the off<sup>d</sup> No taken out. They wish  
have the certificate of Classification  
complete

Your Surveyor Mr Mayford  
sent them the cost of Survey with  
his expenses which they say they  
have no right to pay as the vessel  
was built under my Father's inspection  
and the 1/- per Ton with 2/6 for Certificate

this matter

I would be obliged if you  
would kindly inform me if anything  
has been done relative to my application  
of the 6<sup>th</sup> April for the Vacant Surveymanship
