Dear Sir

In consequence of a letter posted here on the 15<sup>th</sup> inst to Mess Hegan & Sons Belfast containing amongst other papers. Dkt & copy, also Debit Notes of Fees re on the S.S. "Bray Head" and a letter to the Owners respecting this case, not having reached this Firm, I would be obliged if you would let me have a copy of this letter - so that I could send it with the fresh Rpt. & Debit Notes - as it seems unlikely that lost letter will ever be recovered. - I may add this letter was posted by my self & its being repeated is somewhat embarrassing owing to the arrears of Reports & due at present.

I am Dear Sir

Yours Faithfully
