Dear Sir

It is necessary to remind you that the steel schooner "Olwen" has proceeded to her home port Arklow under the newly fitted Motor Engine - the survey is not quite completed here & the Owner has been written to this effect, the understanding is that when some clock work is done he is to acquaint me of it - I have also sent him a form of application for fresh Freeboard Marking, as he intended having the vessel remeasured. Whenever I hear from him I will duly acquaint you.

I am Sir

Your Obedient Servant
Macwilliam
