ENCLOSURE

21st May, 1914.

Dear Sir,

M.

I duly received your letter of the 16th instant enclosing one from Messrs. The Ringsend Dockyard Co. respecting the Schooner "OLWEN", and note that it is proposed to fit an auxiliary motor in this vessel.

The sketch, also forwarded by you, shewing the proposals regarding the structural alterations for the motor installation is returned herewith, and with regard thereto I have to inform you that a steel watertight bulkhead should be fitted on frame No.11 and provided the arrangements be carried out as shown and amended on the sketch and to your satisfaction, the same will be approved.

At the same time I have to request that you will be good enough to ascertain and let me know whether it is desired that the motor should be classed with this Society.

I am, Dear Sir,

Yours faithfully,

Mr. J. Macwilliam,

DUBLIN.
