Dear Sir

In reply to your letter of yesterdays date, respecting the Rudder of the schooner "Olwen" It is necessary to state that this vessel has changed ownership & no reliable date of the addition to the rudder is available except that the former master has stated it was some years so altered & the present Master believes this to be so, & that in his opinion it is required for the efficient steering of the vessel. I may add that this extension is double plating & apparently well fastened.

I am Dear Sir

Yours Faithfully

J Macwilliam

The Secretary.
