Answered.....

Extract from letter dated 23rd June, 1914, *received from*.....

The Society's surveyor at DUBLIN.

Original letter with.....

Vessel's Name "OLWEN".

In reply to your letter of the 18th ultimo respecting the steel schooner "OLWEN", there has been some delay in beginning this survey owing to some questions as to the new steel bulkhead which is required to be fitted to this vessel. This is to-day agreed to and the survey will begin at once.
