Re "Olmen"

Dear Sir.

*We have pleasure in herewith
replying to your enquiry over phone, re above vessel.
Our latest information is, that Owner has not yet decided
whether he shall submit to a N°2 survey.
Motor installation is decided on, and, in fact, engine is,
we understand, now on its way to Dublin.
The vessel is meantime discharging malt at the Custom
House Dock warehouses, and it is expected that the
installation work will be commenced next week.*

Yours Faithfully
For RINGSEND DOCKYARD Co.,

Wm W Millan
