Newburgh 27 Jan 7 64

To Thomas Alexander Esq

Sir

I am to remove the two
after lengths of the sheer streaks on both sides also
every thing below that has the least flaw about
it. I shall intimate to you when the
sheer streaks are on & before the Plankmaker
is put on as I would wish you to see them

I intend to memorialize the Committee
about the Georges. I hope you will throw in
what weight you can. This will be worth
Five Hundred tellings to me for the time
to come

I am Sincerely
your humble servant
