Pi

I duly received yours of the
 4th Inst and now enclose the Test Certificate for
 the Cable & Anchors of the "Agnes" which I requested
 from the Builders on calling their attention to the
 points noted as Contrary to the Rules. They have
 intimated that they immediately communicated
 with the Makers. I had overlooked comparing
 the Gateshead Public Test with those sanctioned
 by the Committee as approved in Notice No 213
 or otherwise I would have previously forwarded
 the Report have called the Builders attention
 to it.

I also as requested return the
Certificate for the "Brothers" for Correction

I am Sir

Your Obedt. Servant—
Thomas Alexander
