Contract

Tests of 8 Steel Bars manufactured by The Steel Co. of Scotland of Newton.  
for Boiler No. 283 to be constructed by Gourley Bros. of Dundee.  
for Messrs Gourley Bros. No. 132. vessel.

Date first visit 22<sup>nd</sup> June last visit 30<sup>th</sup> June. No. of visits attended

The specified in the accompanying copy of Advice Notes were rolled from charges. The tensile test has been applied to six samples as set forth below, and the temper and bending tests applied to sample of each length with satisfactory results.

When a second test is applied, the result should be recorded immediately below the record of the original test. The number of plates or bars included in a rejection must be clearly stated.
