Lloyd's Register of British  
and Foreign Shipping.  
Dundee

2<sup>nd</sup> Feby. 1889.

Sir,

Enclosed I beg to hand  
you Reports No. 520, on the  
Hull & Machinery of the Steel  
Screw Sailing Ship "Arrow," (No. 89),  
built by Messrs. W. B. Thompson  
& Co. Ltd. of this port; with  
photographs of main boiler and  
tests of boiler steel.

The Midship and  
Longitudinal Sections were  
sent to you on the  
29<sup>th</sup> ult.

The official number  
and name of master could  
not be obtained, the  
vessel being registered

DUN113A-0012

at Chester, but these  
particulars will be forwarded  
as soon as they come to  
hand.

I am  
Sir  
Your obedient Servant  
N. Heydell

The Secretary  
London.
