14 September 1894

Dear Sir,

With reference to the  
classification in this Society's  
Register Book of your son Mr. Mayle  
I beg to acquaint you that it appears  
from a report received from the  
Society's Surveyor at Dover that some  
damage sustained through stress of  
weather, will be required to be repaired  
on the vessel's arrival in the United  
Kingdom, and I shall be glad if  
you will kindly let me know when,  
and at what port, you propose to  
have this done.

I am,

Dear Sir,

Yours faithfully,

G. W. Wood Esq.

31 Victoria Street,  
Liverpool.
