Messrs A. Leitch & Co.,

Dundee.

Gentlemen,

With reference to my recent interview with you regarding the case of your s.s. "Loch Rannoch", I beg to inform you that the case has received the consideration of the General Committee, and I am directed to state that under the circumstances, and subject to a favourable report from a Surveyor to this Society after survey as proposed, the Committee will be prepared to consider the case with a view to the insertion of 3 dots in lieu of the black line as previously determined upon.

I shall be obliged if you will let me know in due course what further steps you propose to take in the matter.

I return herewith the certificates of classification with the Bureau Veritas, and have to add that the notation "V" will be made in the Register Book as desired by you,

I am, Gentlemen,

Your obedient servant

H. W. Dove.
