Sir
I beg to inform you that
the S.S. "Dunfermline" belonging
to the Clyde Shipping Coy was
at this port yesterday & sailed
again earlier than expected.
Without my having seen the
spare gear. Mr Hamilton however
this morning tells me that
the required gear, top & bottom
combs, rod end bolts, also main
bearing bolts, pump valves &c
were put on board before
she sailed and that she woud
return again to Glasgow on
Friday next (21st inst.) when I
will endeavour to see this
gear.

I am
Your obedient servant
James Morrison
