Dear Sirs,

M.

With reference to your letter of the 18th instant, respecting the case of your cable steamer "ELECTRA", now under special survey at Dundee, I beg to inform you that I at once communicated with Mr. Morrison, the Society's Surveyor at that port, in regard to the proposed repair to the teak awning deck of this vessel.

His reply has come to hand today, and I have very much pleasure in stating that in view of the terms of his report it is considered that the extent of the renewal of the deck in question, proposed by you to be now carried out, is satisfactory, and will be approved.

I am, Dear Sirs,

Yours faithfully,

Secretary.
